Dear Honorable Commissioner:

PROPERTY RIGHTS STATEMENT

Handwritten: 12/10
I, Steven G. Santee, residing at 12605 Gary Glen Drive, Bristow, VA 20136, being a citizen of the United States of America, declare that I am a co-inventor of Reconfigurable Digital Processing System For Space described in Patent Application Serial No: 10/672,844, which was filed in the United States of America on September 25, 2003.

I made and conceived this invention while employed by BAE SYSTEMS Information and Electronic Systems Integration Inc. The invention is related to the work I am employed to perform and was made within the scope of my employment duties. The invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of BAE SYSTEMS Information and Electronic Systems Integration Inc.

The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

The undersigned inventor describes further that all statements made herein of his own knowledge are true and that all statements made on information and belief and believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
